

GV Engineering Ltd

Maintenance, Machining, Fabrication and Welding

Quality Policy Statement

GVEL operates a Quality Management System (QMS) that conforms to **BS EN ISO 9001 : 2015** certification standard, including aspects specific to Engineering and Engineering construction.

GVEL Management has committed to:

- Developing and continually improving our QMS, and our business processes, so that we can constantly improve and flourish.
- Establishing quality objectives that allow us to improve customer satisfaction levels and drive the performance of the business.
- Ensuring that customer needs and expectations are determined and fulfilled with the aim of achieving full customer satisfaction.
- Communicate throughout GVEL the importance of meeting customer needs and all relevant statutory and regulatory requirements.
- Ensuring that quality objectives are reviewed regularly, and that progress is continuous.
- Reporting on internal audit results as a means of monitoring and measuring the processes and the effectiveness of the QMS.
- Ensuring the availability of resources to support the QMS are in place.
- Ensuring all personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual.
- Ensuring GVEL complies with the relevant statutory and regulatory requirements.
- Monitoring, through its management team, its quality performance and implement improvements when appropriate.
- Reviewing this Quality Policy annually to ensure its continuing suitability.

Copies of the Quality Policy are available to all members of staff and our interested parties (via the website). Copies of management reviews, or extracts thereof, are provided to individual members of staff, in accordance with their roles and responsibilities as a means of communicating the effectiveness of the Quality Management System.

Signed:

Alan Richardson, Managing Director
